[A. P. DAY REPORT.]

LONDON, March 12.—(By Atlantic

Cable.) The United States government,

at the request of President Kruger and

President Steyn, has offered to the

British government its services as

mediator with the view of bringing

about peace in South Africa.

Lord Salisbury has not yet replied,

but a reporter of the Associated Press

believes that there is little doubt he will

decline the United States' good offices.

He will do so, however, in terms as

cordial and polite as those in which the

offer was couched.

The representations made to Great

Britain were so put that they assumed

nothing of a desire to intervene, but

simply transmitted the communications

made to United States Consul Adolph

Hay, with the accompanying assurance

that the United States would be glad to

assist in any way in the interests of peace

which would be gladly undertaken. The

representations were made to the

British government by the United States

consul at Pretoria, Mr. Hay, who is

unable to comply with the offer, he

will probably express his appreciation

of the United States' efforts in a

half of humanity.

The offer of mediation springs from

Pretoria, Mr. Hay, with the other

consul, subsequently to President

Kruger and Steyn sending their peace

offer to the United States government.

POLICE COURT NOTES.
MISCHIEVOUS URCHINS PENNED UP FOR FIVE DAYS.

Four East Los Angeles youths, Tom Smith, John Tichhauser and Ench Coberly, were tried in the Police Court yesterday on a peculiar charge of battery. The testimony showed that the three last-named boys stretched wire across a sidewalk in three different places, in order to trip up Tom Smith when he came along. Smith fell over the first wire, but avoided the other two traps. After he regained his feet he spied his miscreant tormentors and took after them. He chased them several blocks, and they were running away from him. Kirby came along the path, tripped over one of the wires, and in falling broke his left arm. The boys saw the effect of the mischief they had wrought. Mrs. Kirby, however, found them out and had them arrested for battery. Smith was acquitted, but each of the other boys pleaded guilty, and Justice Austin sentenced them to five days' imprisonment in the City Jail. Tichhauser and Coberly each confessed that they had been arrested on three former occasions, Coberly once for stealing a horse, and the other two for the youthful culprit have helped to make life a burden to some of the East Siders, and their temporary retirement from the scene of their mischievous pranks will give great satisfaction to the victims of their jokes. Mrs. Kirby thought the court was entirely too lenient with the youths.

An Epoch in Millinery Selling

Introduction days. The Broadway has season by season proved itself a stronger and stronger factor in the Millinery business of this section. And it's not the result of a fleeting ambition, but the outcome of a carefully planned policy To Undergive As Well As To Undersell.

It's as easy as can be to ask too prices for a hat. The value of a hat is determined by its chicness and originality. And isn't it the worst kind of cheating, to sell a "copied hat" at the price of the original? We could have bought labels by the yard of all the French fashioners—tacked them on our hats and asked you a royalty for the name. Is that right? We think not. Our aim is clearly this—

To Sell You a Hat as We Would Sell You Muslin.

Stylish? Yes, the very top-notch of style. But There is no Charge for the Style.

These are just the beginning of the show days, and like you folks who get up early in the morning to drink in the beauty of the rising sun and get an inspiration for the day's duties—so you ought to see this first exhibit of Spring Millinery—interesting, beautiful.

\$1.50 Venetian Suitings for \$1.19. We first told of them Sunday morning. Luckily the lots were large, for folks bought very liberally and very fast. This is the finest cloth you can get for as little as \$1.19 in wide and in a dozen of the soft winning shades. A couple of others—

Herring Bone Novelities, \$1.19. Rough, shaggy stuffs, with a tone and dignity to them that speaks of high breeding. 54 inches wide and only \$1.19. They make up elegantly.

Homespun but 49c. Now if it was any other store but this, you might question that low price, but you are looking for the unexpected here. Choose from all the favorite shades.

21,600 yds Emb'd'y on Sale This Morning. Bright and crisp, every yd is as new and fresh as the morning. We don't think the women of Los Angeles ever had such a fine opportunity for embroidery choosing. The whole lot is one mass of exclusive patterns, woven on nainsook, Swiss or cambric, in widths from 1/4 in. to 2 feet wide. Price 2c to 75c per yard. Nobody else can sell at our prices and make money.

Housework is hard work without Gold Dust

WASHING WOOLLEN BLANKETS

The theory now is that blankets must be washed instead of dry-cleaned to be healthy. To have your blankets as soft as new, make a copy of this in half a tub of warm water by using one-half cup of

Gold Dust Washing Powder

and soak a blanket in it for half an hour; then simply wring it around and rub the soiled spots; rinse in warm water of the same temperature as the one in which you wash it, wring it up in a warm place or sunbath outside air and see what a soft, white blanket you will have.

The above is taken from our free booklet GOLD DUST FOR HOUSEWORK.

Send for us to request it.

a scenic region.

REDONDO.
QUIET ELECTION CAMPAIGN.
REDONDO, March 12.—[Regular
Correspondence.] The city election cam-
paign is attended with but little ex-
citement. The \$40,000 improvement bond
election, which is to be held on March
14, is doubtless responsible for the lack
of political activity. That the special
election will result in favor of the
bonds by a large majority is regarded
as settled, and there is a general dispo-
sition to avoid anything that might
have an unfavorable effect on that
election. There are four City Trustees
to be chosen for terms of four years
each, and the fourth will be named to
fill a vacancy in the board which will
vacate by the expiration of the term of
the City Clerk are: For City
Trustee, James Burdette and J. H. Reynolds.
For the short term the candidates are
W. P. Clinton, W. R. Williams and Wil-
liam C. Martin. The candidates for
other offices, as shown by petitions filed
with the City Clerk, are: For City
Marshal, E. F. Macey, incumbent; L.
F. Woodley and F. C. Melius; for City
Clerk, S. D. Barkley; for City Treasurer,
George Cate.

REDONDO BREVITIES.

Recorder in place of R. H. Withers,

southern wharf, a portion of the piling
of which was recently carried away by
a strong southerly current, is being
repaired under direction of R. Rath-
well, foreman of bridge and other con-
struction for the Santa Fe.

was arrested by Constable Macey. Re-
fore was taken into custody. Murray
talked very familiarly of Pasadena,
but afterward pretended to know prac-
tically nothing about the place. He
made a number of conflicting state-
ments, which led Macey to believe
that if he would he could tell a good
deal about the great lot of stolen plunder
found in Pasadena last Friday.

The Pasadena officers were informed of
the case.

SAN DIEGO COUNTY. ITALIAN WARSHIP IN PORT. SAN DIEGO, March 12.—[Regular Correspondence.] The Calabria, the first Italian cruiser to enter this port, is now lying at anchor in the harbor.

The Italian war vessel is about the size
of the United States cruiser Philadelphia.
She is a two year's cruise and is at
present on her way to the China station.
As she entered the harbor yesterday,
she ran up the Stars and Stripes and
fired the national salute, which was re-
turned from the San Diego Barracks.

The officers of the Calabria exchanged visits
during the afternoon. Very few of the men
on board the foreign vessel speak Eng-
lish. The warship is taking on coal and
provisions today, and tomorrow visitors
will be received. The Calabria has a
crew of twelve officers and 140 men.
She will remain in port several days.

SHIPPING NEWS.
The steamer St. Denis is now loading
for a trip to the Cordoba Islands. She
will carry a lot of export goods and
machinery to the Esperanza Mining
Company from here, and also a quan-
tity of coal. She will leave for the
inspection of the customs house
officer. The total value of the ma-
chinery to be taken to the Cordoba Is-
lands this trip amounts to between \$50
and \$60,000.

The California and Oriental freight
vessel, Caribia City, is on her way
from San Francisco. She is due
tomorrow morning. Her coming will
partly clear the Santa Fe wharf of the
quantities of cotton now awaiting ship-
ment to the Orient. The total number
of bales is 22,100.

COUNTERFEITERS CAUGHT.
SAN DIEGO, March 12.—[By Asso-
ciated Press.] Howard B. Slawson and
Charles E. Webb were arrested here
today for passing counterfeit coins.

They have been here but a short time
from Santa Ana, but managed to get
many dollars, quarters and dimes into
circulation. The coin is far from a
good counterfeit, and could not have
been passed so easily in the rush of
business. The men were preparing to
leave town when arrested.

Church in South Carolina is to deliver
an address at the Methodist Episcopal
Church tomorrow evening.

CORONADO BEACH.
DIVORCE CASE ON TRIAL.
HOTEL DEL CORONADO, March 12.—
[Regular Correspondence.] Mrs. M.
McKee Dorn of Coronado, is seeking a
divorce from her husband, W. A. Dor-
nan, on the ground of desertion. Pro-
ceedings in the divorce case were
begun yesterday before Judge Hughes
at the Superior Court.

Attorney Willard, for the plaintiff, re-
quested that the case be tried behind
closed doors, but Judge Hughes refused
this permission.

In answer to the charges of the plain-
tiff, defendant denies all the charges,
especially that he was ever cruel or
abusive to her. Dorn has filed a
cross complaint charging his wife with
extreme cruelty, also with an attempt
to gain control of all his property. Mrs.
Dorn was the only witness examined Monday.

CORONADO BREVITIES.
A party of four excursionists left the
hotel this morning for a day's outing
at San Juan.

A St. Patrick's dance is to be given
at Coronado Saturday evening. The
decorations are to be in keeping with
the day celebrated.

The daily U. S. mail deliveries at Ho-
tel del Coronado are the heaviest in
many years. Upon several occasions
during the past month the noon deliv-
ery has numbered from 900 to 1000 let-
ters.

mining engineer, with interests in Colo-

rived here simultaneously at 7 o'clock

sition to avoid anything that might

SAN BERNARDINO COUNTY. GATES PUT UP IN A ROAD. SANTA ANA, March 12.—[Regu- lar Correspondence.] Some weeks ago the Anglo-American Cattle Company erected two gates on the road leading into the Lytle Creek Cañon, thus shutting off about a half mile of the thorough- fare above the intake of the cement ditch. The gates, which were at first locked, were torn down by J. C. Christy, who has mining interests in the cañon. Subsequently, after the gates had been replaced by the com- pany, they were again taken down by Road Overseer Whitcomb, on in- structions from Supervisor West. Since then the gates have been alternately up and down. Last Saturday the com- pany put up the gates, and maintains that they shall not be torn down again. Road Overseer Whitcomb, however, is permitted to pass through. The purpose of the cattle company seems to be to compel the county to go into court to establish its title to the disputed portion of the road.

BINGHAM IN JAIL.
H. B. Bingham, formerly a deputy
Sheriff of this county, who is in-
dicted for the alleged embezzlement
of \$800 while in office, and who has
been in jail since his arrest on month-
day, was today handed over to the
authorities by his bondsmen. They
refuse to give any further bond for
him, and he is now in the County Jail
in charge of Sheriff White, and his friends
are awaiting trial. His trial will
come off on the 18th inst.

FOR A BOARD OF TRADE.
Some of those interested in the or-
ganization of a Board of Trade met
last evening in Justice Thomas's court-
room. It was decided to reconsider the
motion adopted recently, fixing the in-
stitution fees and dues, and to have
a new plan of organization was pro-
posed, but attention will first be given
to the question of the board of trade.
The meeting will be held next Mon-
day night.

SAN BERNARDINO BREVITIES.
Among the recent arrivals in the city
is ex-Gov. Joseph W. Filer of Illinois,
who is a member of the Interstate
Commerce Commission, which will hold
an ordinance in this city, and that we
respectfully request the Board of City
Trustees to repeal the ordinance, and
instead clean the sewers occasionally,
as is necessary, to make them a health-
preserver instead of a disease-
breeder.

This resolution was backed by a
large petition from the property owners
who asked the board to take steps
toward removing the roots from the
sewers in this city, and that we
respectfully request the Board of City
Trustees to repeal the ordinance, and
instead clean the sewers occasionally,
as is necessary, to make them a health-
preserver instead of a disease-
breeder.

Henry E. Mardock, aged 3 years, died
yesterday at Westminister. The funeral
services were held today from the fam-
ily residence and interment was had in
this city.

Millard, both residents of Los An-
geles, were married in this city today.
Justice J. A. Wilson officiating.

and Mrs. John Thompson of Newport
Beach died yesterday from pneumonia.
The funeral services will be held from
the residence Wednesday.

The oil forces have talked long on many
of the residents of Santa Ana and
vicinity, several new companies being
in course of incorporation. Many thou-
sands of dollars will be expended in
the development of oil in this county
within the next few months.

VENTURA COUNTY.
PETTY OFFICIALS CRITICIZED.
VENTURA, March 12.—[Regular
Correspondence.] The constables and ju-
stices of the peace in this city are in
hot water. It seems that several
months ago the Board of Supervisors
directed former Judge J. L. Harrison,
in expert, to make an investigation of
criminal charges before the justices of
the peace of Ventura Township. Mr. Har-
rison did so, and his report has been
made to the Superior Court. That body
has issued a statement in which it
has censured the justices of the peace
for their failure to take in the follow-
ing language:

"From the report it appears that dur-
ing the past 1800 misdemeanor crim-
inal charges were made before
Ventura Township justices, and that
98 of them were found guilty of
the crime of disturbing the
peace." These figures show that Ven-
tura is a riotous place or that the
criminal justice is being "trumped up"
by the officers of the justice courts for
the purpose of making fees. It also
appears that 48 of the complaints upon
which these misdemeanor charges were
based were sworn to by the constables,
and that the justices of the peace are
reliable practice. The Ventura no
doubt are sufficiently in-
formed to make complaints in all cases.
